Health Risk 360 Overview

The Health Risk 360 (HR360) is an important assessment that helps to capture your Blue Advantage® patients' full picture of health, including chronic conditions and medications.

In 2024, providers are required to complete and submit an HR360 for each Blue Advantage patient's Annual Wellness Visit (AWV) or annual physical exam.

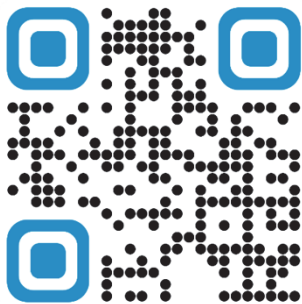

Eligible providers can **earn \$150 for each accepted HR360 assessment** performed for any eligible Blue Advantage patient during the calendar year.

New for 2024: AutoHR360

The AutoHR360 is a new tool that makes completing and submitting these assessments easier for you.

The AutoHR360 features pre-populated data fields that will help you reduce the time required to complete the assessment.

For more details, visit our [HR360 webpage](#) on the Patrius Health provider website or scan the QR Code below.

Getting Started with the AutoHR360

Follow these steps to start using the AutoHR360:

1. Log in to [myBlue Provider](#).
2. Select Blue Advantage Resources to go to the Patrius Health provider website.
3. Click the HR360 link located under the Provider Tools drop-down menu at the top of the webpage.

Patrius Health

Confirm Patient and Provider Details

After you click the HR360 link under Provider Tools, select the business and the provider using the drop-down menus. Next, enter your patient's identifying information and click "Continue."

The screenshot displays the 'Providers' section of the Patrius Health website. The header includes the Patrius Health logo, the text 'Providers WELCOME, JOHN PATRIUS', and the Blue Advantage logo (A Medicare Approved PPO). A navigation bar contains links for Home, Policies & Guidelines, Business Support, Pharmacy, Patient Health, and Provider Tools. A search bar is located on the right. The main content area features a form with the following fields:

Business	Provider	NPI	Patient	Contract Number
ABC PROVIDER	ABC PROVIDER	1234567890	[Enter Patient]	[Contract Number]

Below the form, there is a section for 'Health Risk 360'. The patient information form includes:

- Contract Number * (Text input: ABC1234567890)
- First Name * (Text input: Jane) and Middle Initial (Text input)
- Last Name * (Text input: Doe)
- Date of Birth * (Text input: 06/14/1944) and Gender (Dropdown menu)
- Buttons: Clear and Continue

The footer contains links for Contact Us, Fraud & Abuse, and Privacy Statement, along with copyright information for 2022 and 2023.

Confirm Your Provider and Patient Selection

After confirming the business, provider and patient details, click “Accept” to go to the AutoHR360 application.

Select "Start HR360" to Begin

The screenshot displays the AutoHR360 user interface for a user named JANE DOE (DOB: 04/13/1963). On the left is a navigation menu with the following items: AutoHR360 (highlighted in green), Patient Info (with a red '3' icon), Preventative Care, Medication, Surgical History, Cardiovascular (with a red '1' icon), Diabetes (with a red '2' icon), Other Diagnosis (11), Depression, and Submit. The main content area features a vertical progress bar with three steps: 1. A green circle is active, with the text "Provider bonus available for submission. No HR360 has been submitted so far this year." and a green "START HR360" button highlighted with a yellow border. 2. A white circle is inactive, with the text "A draft HR360 has been saved, but not yet submitted." 3. A white circle is inactive, with the text "HR360 has been submitted". In the bottom right corner, there is a button labeled "PREFER TO MANUALLY COMPLETE THE HR360 FORM?".

Tips for Completing the AutoHR360

The left side of the AutoHR360 shows tabs for the sections of the assessment.

You must review every section and provide all known information available for your patient.

The tabs you see on the left side are based on known conditions of your patient. The number of tabs that appear will vary for each of your patients.

The screenshot displays the AutoHR360 interface for a patient named JOHN DOE (DOB: 07/10/1940). On the left, a navigation menu lists various assessment sections, each with a red icon and a number indicating the count of items: AutoHR360 (highlighted in green), Patient Info (3), Preventative Care, Medication, Surgical History, Hypertension (1), Cardiovascular (4), Psychiatric and Substance Abuse (1), Neurologic (1), Musculoskeletal & Skin (2), GI/GU (1), Neoplasms and Blood Disorders/Infections (1), Respiratory (1), Other Diagnosis (5), Depression, and Submit. On the right, a vertical progress indicator shows three green circles. The first circle is accompanied by the text: "Provider bonus available for submission. No HR360 has been submitted so far this year." The second circle is accompanied by: "A draft HR360 has been saved, but not yet submitted." The third circle is accompanied by: "HR360 has been submitted." A button at the bottom right asks: "PREFER TO MANUALLY COMPLETE THE HR360 FORM?"

Tips for Completing the AutoHR360

Red numbers next to icons indicate sections with pre-populated fields based on claims data.

It is important to review pre-populated data and confirm all information is correct.

Depending on your responses, you may need to input additional details to support the condition selection.

Submitting Provider
JOHN PATRIUS (1234567890)

AutoHR360 Completion Confirmation

On the main tab, you can see that the HR360 has been submitted for your patient. You can download the completed HR360 to your EMR or computer. You also have an option to edit and resubmit the HR360.

The screenshot displays the AutoHR360 interface for patient JANE DOE (DOB: 04/13/1963). The interface features a sidebar on the left with navigation options: AutoHR360 (highlighted in green), Patient Info (with a red '3' icon), Preventative Care, Medication, Surgical History, Cardiovascular (with a red '1' icon), Diabetes (with a red '2' icon), Other Diagnosis (11), Depression, and Submit. The main content area shows a vertical timeline with three steps:

- Step 1: Provider bonus available for submission. No HR360 has been submitted so far this year.
- Step 2: A draft HR360 has been saved, but not yet submitted.
- Step 3: HR360 has been submitted. This step is highlighted with a yellow box and includes two buttons: **DOWNLOAD HR360** and **EDIT AND RESUBMIT HR360**.

At the bottom right of the interface, there is a link: [PREFER TO MANUALLY COMPLETE THE HR360 FORM?](#)

Pause and Resume AutoHR360

If you need to pause work on the assessment, you can save your progress at any time and continue the AutoHR360 by clicking “Resume HR360” on the main tab.

The screenshot displays the AutoHR360 user interface for a patient named JANE DOE (DOB: 04/13/1983). The interface features a dark theme with a sidebar on the left containing navigation tabs: AutoHR360 (highlighted in green), Patient Info (with a red '3' notification), Preventative Care, Medication, Surgical History, Cardiovascular (with a red '1' notification), Diabetes (with a red '2' notification), Other Diagnosis (11), Depression, and Submit. The main content area shows a vertical progress line with three circular markers. The top marker is green and accompanied by the text: "Provider bonus available for submission. No HR360 has been submitted so far this year." The middle marker is also green and is highlighted with a yellow rectangular box; it is accompanied by the text: "A draft HR360 has been saved, but not yet submitted." Below this text is a button labeled "RESUME HR360". The bottom marker is white and accompanied by the text: "HR360 has been submitted". At the bottom right of the interface, there is a button labeled "PREFER TO MANUALLY COMPLETE THE HR360 FORM?". The top right corner of the interface includes a help icon (?) and a "LOG OUT" button.

Upload an HR360 Form

If you prefer, you can manually fill out an HR360 form and upload the completed assessment by clicking the button at the bottom right corner of the main tab. If you are using a preapproved HR360 template, use this upload process. Confirm the provider's name and attach the completed form. Click "Upload" to submit.

The screenshot displays the AutoHR360 web application interface. At the top, the user is identified as 'JANE DOE - DOB: 04/13/1963'. A navigation sidebar on the left lists various medical categories: AutoHR360, Patient Info, Preventative Care, Medication, Surgical History, Cardiovascular, Diabetes, Other Diagnosis (11), Depression, and Submit. The main content area shows a message: 'Provider bonus available for submission. No HR360 has been submitted so far this year.' An 'Upload Documents' dialog box is open in the center, prompting the user to upload a form. The dialog includes a dropdown menu for the provider, currently set to 'JOHN PATRIUS (0123456789)', and a date of service input field. Below these fields is a file selection area with an 'Add a HR360 form' button, a 'No file chosen' status, and an 'Add' button. At the bottom of the dialog are 'CANCEL' and 'UPLOAD' buttons. In the bottom right corner of the main interface, a button labeled 'PREFER TO MANUALLY COMPLETE THE HR360 FORM?' is highlighted with a yellow border.
