

Use the following steps to complete the pre-service review process, which includes precertification, prior authorization and predetermination for certain medical services for your Blue Advantage® patients. You can also use this process to request a continued stay review.

1 Start the Pre-Service Review process on **myBlue Provider**, Blue Cross & Blue Shield of Mississippi's provider website. Under **Prior Authorization** in the left menu, select **Blue Advantage Pre-Service Review**. You will be directed to the Blue Advantage Pre-Service Review portal for Patrius Health.

Note: Make sure to deactivate any pop-up blockers on your web browser.

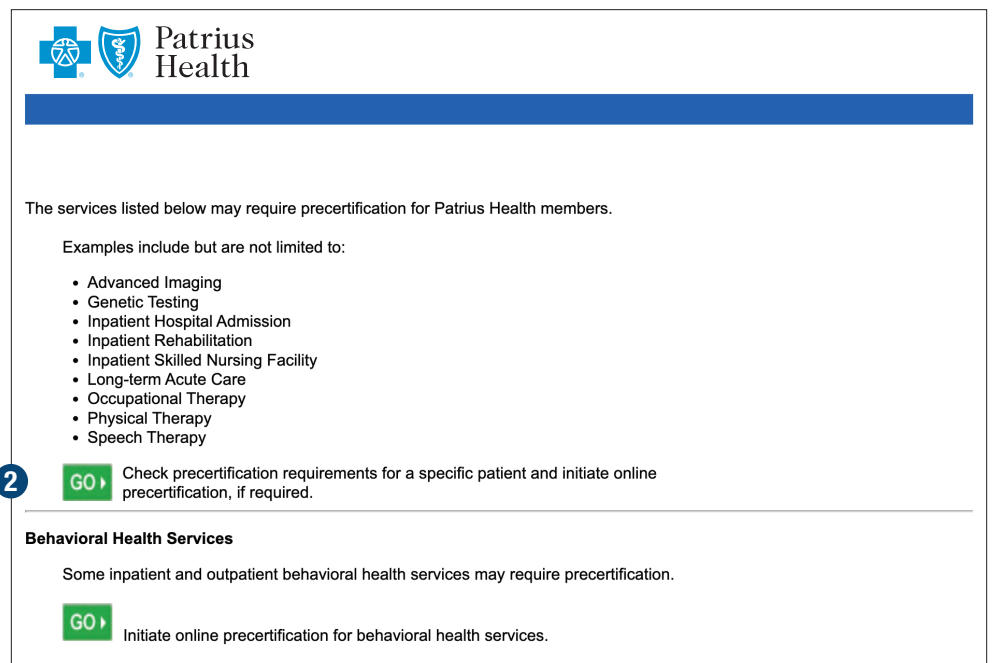

The screenshot shows the myBlue Provider website interface. At the top, there are links for 'Contact Blue', 'Search the Site', and 'Log Out'. The main header includes the BlueCross BlueShield of Mississippi logo and the 'myBlue Provider' branding. A navigation menu on the left lists various services, with 'Blue Advantage Pre-Service Review' highlighted in a red box and a '1' in a red circle next to it. The main content area features a 'PROVIDER Resource Center' banner with a 'Go Here' button. Below the banner, there are 'myNotifications' for various services like Appeals, Claims Inquiry, Contact Blue, Information Update, Medical Records, Prior Authorization, Provider Application, and Provider Recredentialing. A search bar is located on the right side of the page.

2 On the Pre-Service Review landing page, initiate the precertification process by selecting the bottom **GO** button for behavioral health services and the top button for all other services.

Note: Reviews of behavioral health services involve a separate process with Lucet, a partner of Patrius Health. Under the Behavioral Health Services heading, initiate the review process by using the **GO** button. This process is available only to institutional providers.

If you have questions after initiating the behavioral review process, contact Lucet at 1-855-339-9812.

The screenshot shows the Patrius Health Pre-Service Review landing page. At the top, there is the Patrius Health logo. Below the list, there are two 'GO' buttons. The first 'GO' button is highlighted with a red circle and a '2' in a red circle, and it is accompanied by the text: 'Check precertification requirements for a specific patient and initiate online precertification, if required.' The second 'GO' button is located under the heading 'Behavioral Health Services' and is accompanied by the text: 'Initiate online precertification for behavioral health services.' Below this, it states: 'Some inpatient and outpatient behavioral health services may require precertification.'

3 Enter your provider tax ID in the pop-up box that appears and click **Submit**.
