

Steps to a Successful Start

Here are some steps you can take to get your **Blue Advantage® (PPO)** patients on a path to receiving quality health services from you.

Review Online Resources

Log in to **myBlue Provider**, and then click “Blue Advantage Resources” to get answers about Blue Advantage. On our website you can find:

- ▶ Pre-Service Review Information
- ▶ Medical Policies
- ▶ Incentives for You and Your Patients
- ▶ Pharmacy Resources
- ▶ Coding Guides
- ▶ List of Attributed Patients

Schedule Annual Wellness Exams

Annual Wellness Visits (AWVs) and annual physical exams are **available at no cost to your Blue Advantage patients**. It’s a good opportunity to create a care plan by discussing your patients’ overall health, as well as addressing any chronic conditions and gaps in care. During these visits, you can begin talks about advanced care planning.

Earn Health Risk 360 (HR360) Incentives

We are rewarding you for performing comprehensive health risk assessments for your Blue Advantage patients. **You can earn \$150 for each completed and accepted HR360 form** you submit based on your patient encounters. You can easily complete the HR360 during your patients’ AWVs or annual physical exams! Our provider website has all the details.
