

## Steps to a Successful Start

Here are some steps you can take to get your **Blue Advantage® (PPO)** patients on a path to receiving quality health services from you.

### Review Online Resources

Log in to **myBlue Provider**, and then click “Blue Advantage Resources” to get answers about Blue Advantage. On our website you can find:

- ▶ Pre-Service Review Information
- ▶ Medical Policies
- ▶ Incentives for You and Your Patients
- ▶ Pharmacy Resources
- ▶ Coding Guides
- ▶ Patient Health Snapshot
- ▶ Provider Insights
- ▶ AutoHR360
- ▶ Provider Manual

### Schedule Annual Wellness Exams

Annual Wellness Visits (AWVs) and annual physical exams are **available at no cost to your Blue Advantage patients**. It's a good opportunity to create a care plan by discussing your patients' overall health, as well as addressing any chronic conditions and gaps in care. During these visits, you can begin talks about advanced care planning.

### Earn Health Risk 360 (HR360) Incentives

We are rewarding you for performing comprehensive health risk assessments for your Blue Advantage patients. **You can earn \$150 for each completed and accepted HR360 form** you submit based on your patient encounters. You can easily complete the HR360 during your patients' AWVs or annual physical exams. Our provider website has all the details.
